ASSENTED TO MOTION TO EXTEND TIME TO ANSWER

The United States of America, through undersigned counsel, moves to extend the deadline for answering the Complaint for a period of eleven (11) days to and including November 18, 2005. This is the third request for an extension by the United States to answer. The grounds for this motion are Government counsel has not received the IRS' administrative file which is necessary to prepare a meaningful answer. Additionally, the parties have conferred and exchanged information prior to the filing of an answer in order to narrow the issues in dispute. Government counsel has spoken to counsel for the Plaintiff who has assented to the granting of this motion.
